Symposium Chair: Milind Pande

# XIII<sup>TH</sup> STATE OF THE ART REFRACTIVE & CATARACT SURGERY

14th June 2013, Derwent Building  
Hull University Business School

SUPPORTED BY THE ROYAL COLLEGE OF OPHTHALMOLOGISTS

The pursuit of improved visual outcomes combined with excellent safety fuels the rapid evolution of cataract and refractive surgery. The symposium is packed with the latest advances delivered by an outstanding national and international faculty.

Programme highlights include Sight threatening complications in cataract surgery, New technology in cataract and refractive surgery, Femtosecond cataract surgery and a Challenging cases symposium.

Come and join key figures from across the UK and abroad to discuss and share the latest research and best-practice in cataract and refractive surgery.

Free registration is available to all clinical staff. Please inform other members of your team, colleagues and friends of this great opportunity.

Free Online Registration and full details available at:

[www.visionsurgery.org](http://www.visionsurgery.org)

Register early to avoid disappointment.  
Look forward to seeing you on the 14th of June 2013.

**Milind Pande**  
Symposium Chair
